## Full-Stack Developer

+977 9761893364

abiralpanta39@gmail.com

Anamnagar, Kathmandu

### SKILLS

- HTML,CSS
- Tailwind css
- Javascript
- React Js
- NextJs
- Remix js
- Node js
- python
- express js
- MongoDB
- MySQL
- Git & Github
- Critical Thinking
- Communication

### EDUCATION

#### Bachelor in Information Technology

Mid-Valley Int'l College

(2024 - present)

#### +2 in Science

New capital college

(2022-2023)

### PROFILE

Motivated and adaptable Bachelor of Information Technology student with a strong sense of accountability and the ability to thrive under pressure. Proven team player and confident leader with a flexible, solution-focused mindset. Adaptable to new challenges and committed to continuous learning and delivering high-quality results through collaboration and clear communication

### EVENTS AND ACHIEVEMENTS

- Secured 2nd place among 11 teams by developing an innovative webpage of public transportation.
- Volunteered for multiple events in MVIC

### PROJECTS

#### 1. E-Commerce Website for Premium Bags (HTML, CSS, JS, PHP, Chart.js, Tailwind CSS, SQL):

Developed a responsive online store showcasing premium bags, featuring dynamic product pages, shopping cart functionality, and sales analytics using Chart.js.

#### 2. Stock Management System :

Tech Stack: Next.js, TypeScript, TailwindCSS, Node.js/Express, MongoDB

- Built a custom inventory system for a local men's clothing store to manage stock, pricing, and product categories.
- Features include dynamic product entry (size, type, price), QR generation, real-time stock updates, and description-based search.
- Implemented clean UI/UX for fast entry and filtering based on shop needs (rack location, design, etc.).
- Integrated secure authentication, responsive design, and deployed using Vercel.
